

***Parkland Stewardship Council Meeting
October 5, 2005***

The Parkland Stewardship Council is in need of a Lead Steward for Carvers Pond. Lead Stewards oversee the parks but do not have policing powers. They are volunteers who help with park clean up projects and with the help of volunteers work to beautify the parks. All Lead Stewards are appointed by the Board of Selectmen and are under the jurisdiction of the Conservation Commission.

Anyone who is interested in volunteering should submit a letter of interest to Laurie Keane, Conservation Commission, Memorial Building, 25 South St. Bridgewater, MA 02324 or email to Lkeane@bridgewaterma.org

The Parkland Stewardship Council is looking in volunteers to assist with up-keep of trails for our Parks. We are also looking for people interested in fund-raising and grant writing. If you have any interest please contact Laurie Keane.

The Parkland Stewardship Council is interested in putting together a Friends of Carvers Pond, Friends of Stiles and Hart, Friends of Ironworks, Friends of Titicut, Friends of Tuckerwood and Friends of Wyman Meadows groups. These groups would consist of neighbors who live close to each of the respective parks and who would be interested in volunteering to work with Lead Stewards to assist with clean up projects, construct park benches, trails, assist with volunteer efforts to supply kiosks for our parks. Our parks are for all the residents to enjoy. We need people to help us. Anything you can do is appreciated.
