Skateboard Park Closed and 11 PM Curfew Established at Legion Field by order of the Bridgewater Recreation Commission

The Bridgewater Recreation Commission, at their meeting on August 4, 2008, unanimously voted to close the Skateboard Park effective August 5, 2008 due to recent acts of violence brought to the attention of the Commission by the Bridgewater Police Department. The Skateboard Park will remain closed until the Recreation Commission has the resources available to ensure a reasonable level of safety for its users.

Prompted by these recent acts, the Recreation Commission has established an 11:00 PM curfew for all of Legion Field. The Recreation Commission has the full support and cooperation of the Bridgewater Police Department. Trespassers will be prosecuted.
