GENERAL ORDINANCE - AMEND ORDINANCE D-2012-014 – RIGHT TO FARM ORDINANCE

WHEREAS, In accordance with the provisions of Section 2-6 of the Bridgewater Home Rule Charter relative to amendments to the Town ordinances, it is therefore;

ORDERED, that the Town Council assembled votes to amend the Bridgewater Ordinance D-2012-014, Right to Farm Ordinance, as follows:

Section 2 – Definitions, B. 6. to read as follows:

6. growing and harvesting of forest products and any other forestry or lumbering operations pertaining to forest products cultivated and harvested within the farm. The transportation of forest products from outside locations for the purpose of forestry or lumbering operations is not permitted, aside from the purpose of transporting materials in for cultivation;

Section 2 – Definitions, C. 7. to read as follows:

7. on-farm relocation of the earth and clearing of ground for farming operation; however, soil/earth shall not be imported to the farm for resale purposes;

Explanation:

The Right to Farm Ordinance is unclear about the treatment of “lumbering operations” as it pertains to the importation of logs for milling or firewood production. Similarly, it is unclear as to the importation of soils and other materials for bulk resales. This amendment would clarify both these issues by not allowing the importation of either logs to be processed into boards or firewood, or soil materials to be resold.

GENERAL ORDINANCE – COMMERCIAL PARKING LICENSING

WHEREAS, in accordance with the provisions of Section 2-6 of the Bridgewater Home Rule Charter relative to amendments to the Administrative Code, and

WHEREAS, during certain events private property owners use their properties to park automobiles for a fee, and;

WHEREAS, the use of property for paid parking can create unintended and unexpected traffic congestion and create hazardous driving conditions, and;

WHEREAS, the Town of Bridgewater has an interest in preserving the peace and safety of its residents and visitors, it is therefore;

ORDERED, that the Town Council assembled votes to amend the Bridgewater Administrative Code, Part III, Chapter 260, Article XV by adding a new Section 14 to read as follows:

Chapter 260, Streets and Sidewalks
Article XV, Paid Parking
Section 14. Licensing Procedure and Regulations for Commercial Parking

Section 14. Licensing Procedure and Regulations for Commercial Parking

For purposes of this section, a commercial parking lot shall be defined as any space paved or unpaved which is proposed to be used for the parking of vehicles for a fee. It shall not include parking lots associated with residential housing developments in which the parking is strictly for the residents.

Owners of property to be used for commercial paid parking shall, at least 45 days prior to the commercial parking use of the property, apply for a license for such use. The Town Manager, by regulation, shall establish a fee for licensure which shall not exceed $100 per year, and criteria for the issuance of a license, including a finding that there exists a public demand for the commercial parking lot and that the commercial parking lot is necessary to protect the public convenience or welfare.

The Town Manager may issue a license under such terms and conditions as he deems appropriate which will protect the public convenience or welfare including any condition which will promote the orderly access and egress of vehicles from a commercial parking lot to the public way or which will reduce hazards to pedestrians within the parking lot or upon the public way.

NOT FOR ACTION – REQUIRES ADVERTISING.
Each licensed lot must maintain a live exit available to every vehicle parked on the lot, no vehicle shall be blocked in for any reason. Any parking configuration shall not permit backing onto a street or road.

Each day on which any such violation continues shall be considered a separate violation of this section. The availability of non-criminal process herein shall not preclude the use of criminal process or other means of enforcement.

Explanation: Several large events in Bridgewater, including July 4 festivities and Bridgewater State University graduations, encourage property owners to offer their properties for paid parking to the public. Often these uses create public safety issues for the Bridgewater Police and Fire Departments, as well as BSU Police. In addition, they can cause pedestrian safety issues. This addendum to the Town’s General Ordinances will allow the Town Manager to require these property owners to secure a license to use their properties for such use. This will allow the Town to plan for such uses and deploy public safety personnel accordingly, including requiring a detail officer if the Police Chief so requires.

Proposed Ordinance D-FY20-008

GENERAL ORDINANCE - RESCIND ORDINANCE D-2012-004 ADMINISTRATION & FIDUCIARY OVERSIGHT OF BUDGET - AMBULANCE RECEIPTS

WHEREAS, In accordance with the provisions of Section 2-6 of the Bridgewater Home Rule Charter relative to amendments to the Administrative Code, it is therefore;

ORDERED, that the Town Council assembled votes to rescind General Ordinance D-2012-004, Administration and Fiduciary Oversight of Budget – Ambulance Receipts.

Explanation: When Ordinance D-2012-004 was adopted by the Council it attempted to create an “ambulance reserve” out of which money could be transferred to the General Fund to offset the expenses of running an ambulance service, and it generally limited that amount to $1 million. Unfortunately, the Town’s Auditors have suggested that the fund was not created properly. Now, with proper budgeting practices and annual budget resolutions which better reflect and understand the nature of the ambulance business, the ordinance is not necessary. Consistently the Council has voted to override the Ordinance’s restrictions, and the Budget and Finance Committee has consistently recommended to the Finance Director and the Town Manager that the Ordinance should be rescinded.

WHEREAS: A proposal to install new backstop and dugout fencing and replace additional fencing that has become a safety hazard at the Hayes & Lazaro field located at the Legion Field Complex has been submitted and recommended by the Community Preservation Committee.

ORDERED, pursuant to Section 6-4 of the Town of Bridgewater Charter, that the Town Council vote to appropriate as required by Massachusetts General Laws, chapter 44B, and to meet this appropriation, transfer the sum of $27,500.00 from the Community Preservation Fund (Undesignated Fund Balance) to the General Capital Fund to Account #: 10630220-584000 CPC Legion Field Fencing; and that the Town Manager is authorized to take any other action necessary or relative thereto to complete this project.

Explanation: The Bridgewater Parks and Recreation Commission applied to CPC for funding the fencing for the recently rebuilt new dugouts. Both the Master Plan and Open Space Plan state the need to rehabilitate aging municipal outdoor municipal recreation facilities. The Parks and Recreation Department continues to work closely with Bridgewater Little League and other organizations to make the overall cost as little as possible to the Town in their continuous improvements to this Legion Field Sports Complex. This project is on the Capital Plan, but due to the urgency to complete the fencing before 4/1/2020, and that the practices and upcoming season can begin with no safety concerns, this order is brought forth.
