MEETING SUMMARY:

You are invited to an informational meeting to learn about the High Street Dam removal (a.k.a. Jenkins Pond Dam) and fish passage project on the Town River in Bridgewater. The Massachusetts Division of Marine Fisheries (DMF), the Massachusetts Division of Ecological Restoration (DER), and The Nature Conservancy (TNC) will discuss the findings of the recently completed feasibility study for improving fish passage and public safety at the dam. Project Team representatives will be available to answer questions and will be seeking input from the public as they begin planning the next steps for the project. The meeting will be held on **April 5, 2018, from 6:30pm – 8:00 pm at the Academy Building, Council Chamber, Room 203**. Please contact Sara Turner (DMF) at 508-742-9737 with questions about the meeting.
