REPLACEMENT PROJECT

You are subscribed to the Route 44 over Route 24 Bridge Replacement Project from the Massachusetts Department of Transportation.

The Massachusetts Department of Transportation invites you to a
Presentation at the Raynham Board of Selectmen meeting
on the

Route 44 over Route 24 Bridge Replacement Project

Tuesday, August 21, at 7:00 PM
Raynham Town Hall, Selectmen's Meeting Room
558 S. Main St., Raynham, MA 02767

RECEIVED
TOWN CLERK'S OFFICE
BRIDGEWATER, MA.
2018 AUG - 8 A 8:05

MassDOT's project to replace the existing Route 44 over Route 24 bridge in Raynham will begin soon. Prior to the start of major construction in October 2018, MassDOT's contractor, SPS New England, will perform early action work that includes surveying, tree and brush clearing, and ramp modifications.

The primary goal of the Route 44 over Route 24 Bridge Replacement Project is to replace the existing bridge structure, which is structurally deficient and functionally obsolete. Other project goals include incorporating functionality and safety improvements into the roadway and highway interchange system between South Street West and Orchard Street on Route 44. The project also includes reconstructing on and off ramps, improving bicycle, pedestrian and ADA accommodations, widening and raising the vertical clearance of the bridge, and more.

At this meeting, MassDOT and the project team will present a construction phasing and schedule overview, discuss traffic management, and respond to questions regarding the upcoming construction. The presentation will take place during the Board of Selectmen's regularly scheduled meeting.

Visit the project website, www.mass.gov/route44over24 for more information.

For project questions or comments, please email route44over24@dot.state.ma.us or contact Dan Fielding, MassDOT Highway Division Legislative Liaison, at 857-368-8959.

Please share this information with anyone you think will be interested in the project, and encourage them to sign up for email alerts for traffic updates and meeting announcements.
