NOT FOR ACTION – REQUIRES ADVERTISING PENDING ADOPTION OF ANY AMENDMENTS
**Ordinance D-FY21-001**

**GENERAL ORDINANCE - NEW REGULAR AGENDA ITEM "FINANCE COMMITTEE REPORT"**

**Whereas** the Charter calls for a Finance Committee to approve most budget and money related items before the Town Council can vote such item; and

**Whereas** the Finance Committee does not have an opportunity to routinely address the Town Council on Financial matters; and

**Whereas** the Finance Committee has responsibility to evaluate all of the accounting records of the Town, to recommend financial policy to the Town Council, and to explain the determination of any measure assigned to the Finance Committee by the Town Council;

**Therefore**, a new standing agenda item called “Finance Committee Report” shall be established between current agenda I, “Town Manager Report”, and current agenda J, “Discussions”. If adopted, the sequence of agenda items would be modified to allow the insert.

**Explanation:**

As a member of the Finance Committee, I noticed several times that relevant information for a particular measure, and recommended amendments, was never addressed at the Council level. Usually, only the vote count would be read. This item would create an opportunity for FinCom to assign a liaison to the Town Council and provide a FinCom update - if necessary - to be given to the Council directly before any legislation was adopted. This also allows FinCom to present financial policy changes it thinks would be appropriate to adopt.

**Ordinance D-FY21-002**

**GENERAL ORDINANCE - SFI PAPERWORK REDUCTION - CREATION OF A SFI SHORT FORM**

**Whereas**, the Charter calls for the use of the Statement of Financial Interest (SFI); and

**Whereas**, the Town Council established a long form for the SFI; and

**Whereas**, many members of boards, committees, and employees must fill out the form on a regular basis; and

**Whereas** the information on the Long Form may not change form one submission to another; and

**Whereas** it is a burden for the Town Clerk’s office to manage forms that may not change;

**Therefore**, the Town Council establishes an SFI Short Form to be used if the personal information to be collected has not changed since the last submission.

The Short Form SFI will be a one-page summary questionnaire. If any are answered as Yes, then the respondent must use the long form.

The questions for the Short-Form are:

1. Is this your first time you have submitted a Statement of Financial Interest form? (Yes/No)
2. Since your last report, have you received income in excess of one thousand dollars ($1000) from a business that has matters pending before, does any business with, or is subject to regulation, supervision or oversight by the agency, department, board, election commission or other city office which employs you, or over which you have administrative or legislative control? (Yes/No)
3. Since your last report, have you had any business transactions with any business in Bridgewater for which more than one percent (1%) of the beneficial ownership is held directly or indirectly by a family member? (Yes/No)
4. Since your last report, do you owe more than one thousand dollars ($1000) to a creditor located within or doing business with the Town of Bridgewater? (Yes/No)
5. Since your last report, have you been reimbursed for any expense, aggregating more than one hundred dollars ($100), by someone with direct interest in legislation, legislative action, or a matter before your municipal body? (Yes/No)
6. Since your last report, have you received any gifts, aggregating more than one hundred dollars ($100), from a donor with direct interest in legislation, legislative action, or a matter before your municipal body? (Yes/No)

**NOT FOR ACTION – REQUIRES ADVERTISING**
7. Since your last report, have you transferred any real property with an assessed value greater than one thousand dollars ($1,000) in which direct or indirect financial interest was held? (Yes/No)
8. Since your last report, has a legislative agent (a person who is compensated for acting to promote, oppose or influence local legislation) given you an honoraria aggregating more than one hundred dollars ($100)? (Yes/No)
9. Since your last report, has any creditor voluntarily forgiven a debt of over one thousand dollars ($1,000)? (Yes/No)
10. Since your last report, have you taken a leave of absence from any business, or returned from a leave previously reported? (Yes/No)
11. Since your last report, have you transferred any business equity to a member of your family? Equity is defined as any stock, interests in capital or profits and losses, or similar ownership interest in any business. (Yes/No)
12. Since your last report, have you had any commercial or business transaction worth two hundred and fifty dollars ($250) or more between any municipal official and you? (Yes/No)

Explanation:
At least annually, every committee, board, and other listed individuals must submit a six page SFI form, often with no changes from the previous one. This legislation is intended to condense that submission to a one page form that can be used when nothing has changed since the last report. The estimated cost savings to the Town is hundreds of dollars annually.
