Call to Order at Two pm:

Old Business: Bridgewater Housing Authority Event Date: Thursday October 24th at 1 pm Hemlock Community Building. Time of arrival for setup: 12 noon

Donations: Progression of gift donations. Each gift will need to include an inexpensive gift bag and five or six items; body lotion or hand lotion, shampoo, hard candies, cookies, writing materials, puzzle books etc. All gift bags do not need to be exactly the same. We are looking for quantities of similar items for both men and women. Until we have an exact headcount, a good starting point is approximately 25 of each item.

Food: We are planning to serve refreshments. Refreshments could include lemonade, soda and water. Snacks could include cookies, donuts, cupcakes and coffeecake. We will need cups, paper plates, napkins and plastic fork.

BHA Presentation Setup: Karen Rudd and I will meet mid next week to view Hemlock Drive Community Center and clarify what further setup will be needed.

The BHA Event is posted throughout the BHA thanks to Karen Rudd, and also listed as an event in the monthly BHA Newsletter. We are hoping for a great turnout.

Presentation: The presentation will feature our Bridgewater Disability Commission. I would like to present the members present of the Commission, explain to guests how we may be of service, and then talk, in conjunction with Henry Goldsmith, about several of the projects that we are working on. Next, I would like to talk about some of the exciting programs that go on weekly at the Bridgewater Senior Center. Kathy Hayes will follow third explaining the role and services she provides as the Bridgewater Outreach worker. Lastly, Lorraine Carrozza will speak about TRIAD. If Anna would like, she could wrap up the presentation and thank everyone for joining us. Allow a few minutes for any questions that may be asked.
