BRIDGEWATER HISTORICAL COMMISSION

DEMOLITION DELAY DETERMINATION of SIGNIFICANCE

The Bridgewater Historical Commission has determined the building or structure:

___ Does not warrant a delay in demolition as it not significant.

___ Meets the criteria for significance and compliance with the ordinance is required. The building or structure must be preserved for sixty (60) days. Alternative scenarios to demolition are encouraged.

A Public Hearing is required within 21 days of the finding of determination to discuss potential reuse or preservation of the property.

Hearing DATE: _____

Location ADDRESS: _____

Demolition will be permitted on or after _____

Structure will be preserved or demolition cannot commence on or after _____
